# Make a Difference in Sumner County Politics

The Sumner County Political Action Committee for Education collects voluntary contributions from Association Members and uses those contributions for political purposes, including, but not limited to, making contributions to and expenditures on behalf of friends of public education who are candidates for Sumner County office. Contributions to S-PACE are voluntary; making a contribution is neither a condition of employment nor membership in the Association and members have the right to refuse to contribute without suffering any reprisal. Although S-PACE requests an annual contribution of \$7.00, this is only a suggestion. A member may contribute more or less than the suggested amount or may contribute nothing at all, without it affecting his or her membership status, rights or benefits in NEA, TEA or SCEA. Contributions to S-PACE are not deductible as charitable contributions for federal income tax purposes. Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 in a calendar year.

*Because S-PACE is a local political action committee, we cannot make contributions to federal or state candidates. Candidate recommendations are sent to the committee that governs The Fund, and once that committee finalizes the recommendation, contributions to our candidates come from that fund. Our members' contributions to The Fund make it possible for S-PACE to participate in the election of our local representatives and support our political and legislative goals at the county level.*
